

:010 15.629 Great Apes Conservation

:030 FEDERAL AGENCY: U.S. FISH AND WILDLIFE SERVICE, DEPARTMENT OF THE INTERIOR

:040 AUTHORIZATION: Great Ape Conservation Act of 2000, Public Law 106-411, 16 USC 6301.

:050 OBJECTIVES: To assist in the conservation of great apes by supporting and providing financial resources for the conservation programs of countries within the range of great apes and projects of persons with demonstrated expertise in the conservation of great apes.

:060 TYPES OF ASSISTANCE: Project Grants.

:070 USES AND USE RESTRICTIONS: Funds may be used for approved great ape conservation projects. Proposed projects should have the support of the local government(s) and have matching funds (cash) or in-kind support (salaries, equipment, etc.) provided by the organization receiving the grant or other partners. All non-governmental or private sector project proposals must contain evidence of support by local governmental entities of countries where the project is to be conducted.

:080 ELIGIBILITY REQUIREMENTS:

:081 Applicant Eligibility: Applicants may be any Federal, State, and local government agencies, public or private organizations, non-governmental nonprofit organizations, public and private institutions of higher education, or any other entity with experience in great ape conservation.

:082 Beneficiary Eligibility: Federal, State, and local government agencies, public or private organization, non-governmental non-profit organization, public and private institutions of higher education or any other entity with experience in great ape conservation.

:083 Credentials/Documentation: This program is subject to the provisions of OMB Circular No. A-87 for State and local governments; OMB Circular No. A-21 for education institutions; OMB Circular No. A-122 for nonprofit organizations; and Federal Acquisition Regulation Subpart 31.2 for private firms, individuals, and other nonprofits excluded from coverage under OMB Circular No. A-122.

:090 APPLICATION AND AWARD PROCESS:

:091 Preapplication Coordination: None. This program is excluded from coverage under E.O. 12372.

:092 Application Procedure: Submit a request for proposal package, which includes specific information on requirements, to the Chief, Division of International Conservation, U.S. Fish and

Wildlife Service, 4401 N. Fairfax Drive, Room 730, Arlington, Virginia 22203.

:093 Award Procedure: The Chief, Division of International Conservation (DIC), will select projects to be funded based on established criteria contained in 16 U.S.C. 6301. A grant agreement between the Fish and Wildlife Service and the grantee is drafted by DIC. The agreement is then submitted to the Office of Contracting and General Services (CGS) for processing. CGS then sends the grant agreement to the grantee for signature. Upon return to CGS, the grant agreement is signed by CGS, and is effective on the date of CGS signature.

:094 Deadlines: None.

:095 Range of Approval/Disapproval Time: Decisions on funding of project proposals must be made no later than 180 days after the receipt of the project proposal.

:096 Appeals: Not applicable.

:097 Renewals: A grant agreement can be modified, extended, or renewed at the discretion of the Chief, Division of International Conservation and the CGS Contracting Officer.

:100 ASSISTANCE CONSIDERATIONS:

:101 Formula and Matching Requirements: In determining whether to approve project proposals under this section, the Secretary shall give preference to projects for which matching funds are available.

(To the extent possible, grant funds are matched by non-federal funds. This program has no statutory formula.)

:102 Length and Time Phasing of Assistance: Awarded funds must be spent during the approved Period of Performance of the grant agreement, and in accordance with DOI/FWS financial and reporting procedures.

:110 POST ASSISTANCE REQUIREMENTS:

:111 Reports: Progress and final reports are to be submitted in accordance with terms and conditions of the grant agreement and must all be submitted within the Period of Performance of the grant agreement.

:112 Audits: In accordance with the provisions of OMB Circular No. A-133 (Revised, June 24, 1997), "Audits of States, Local Governments, and Non-Profit Organizations," non-federal entities that receive financial assistance of \$300,000 or more in Federal awards will have a single or a program-specific audit conducted for that year. Non-federal entities that expend less than \$300,000 a year in Federal awards are exempt from Federal audit requirements for that year, except as noted in Circular No. A-133.

:113 Records: Records for grants awarded to State and Local Governments will be maintained in accordance with the provisions of 43 CFR Part 12, Subpart C, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments." Records for grants awarded to institutions of higher education and other nonprofit organizations will be maintained in accordance with the provisions of 43 CFR Part 12, Subpart F, "Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations."

:120 FINANCIAL INFORMATION:

:121 Account Identification: None provided by OMB to date.

:122 Obligations: (Grants) FY01 - \$668,000, FY 02 est - \$920,000, FY 03 est - \$920,000

:123 Range and Average of Financial Assistance: Variable amounts. Due to the limited funding available and the desire to support diverse projects, preference will be given to proposals requesting \$30,000 or less; however, higher amounts may be requested.

:130 PROGRAM ACCOMPLISHMENTS: Since 2001, the Service has awarded 27 grants in 14 countries, highlights include: ground surveys for chimpanzee and western lowland gorilla populations and capacity building among local people surrounding a conservation area in northern Republic of Congo; ranger-based monitoring system for the long-term conservation of mountain gorillas in the afro-montane forests of northwestern Rwanda, eastern DRC, and southwestern Uganda; bonobo population surveys in Lac Tumba and Opala Regions, assessment of orangutan densities; range use, nutritional requirements and reproductive viability in and near a National Park in Indonesia; and, study to determine the impacts of hunting on Hoolock gibbon populations in Burma.
